2. **LICENSE GRANTS.** The Software is licensed, not sold.
  - a. Demonstration Version. If the Demonstration Version has been installed, CCH hereby grants Licensee a non-exclusive, non-transferable license to use the Demonstration Version and to install the Software onto the hard drive of a computer (or computers) for evaluation purposes only. Notwithstanding any other representations and warranties contained in this License Agreement, THE DEMONSTRATION VERSION IS LICENSED ON AN "AS IS" BASIS AND WITHOUT WARRANTIES OF ANY KIND. WITH RESPECT TO THE DEMONSTRATION VERSION, CCH DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT, AND TITLE AND NON-INFRINGEMENT.

Neither the Demonstration Version nor any forms reproduced or printed from the Demonstration Version may be altered to remove any indicia indicating that the forms are samples or a "DEMO". The Demonstration Version may not be used to produce or print forms contained therein for use in connection with Licensee's business.
  - b. Single-User License. If Licensee has registered and paid for a Single-User License, CCH hereby grants Licensee a non-exclusive, non-transferable license to use the Software for internal purposes in connection with Licensee's business, at the licensed Office location designated by Licensee. With a Single-User License: (i) use of the Software is limited to one concurrent Designated User at a time; (ii) the Designated User must be a licensed attorney or a Non-attorney Preparer (except as permitted by clause (iii) following); and (iii) if the Designated User is a licensed attorney, then the Licensee may designate a second Designated User (without obtaining an additional user license) who may only be an individual employee of Licensee fulfilling a support function (such as secretarial or paralegal) for a Designated User who is a licensed attorney. Designated Users must work within the same licensed Office location and the Software may not be accessed from any Branch Offices without obtaining additional site licenses. The Software may be

installed and used on multiple computers provided that such computers are located within a licensed Office. Licensee may not install the Software on a WAN without obtaining permission from CCH and purchasing additional site licenses.

All permitted users must work within the same licensed Office location and the Software may not be accessed from any Branch Offices without obtaining additional site licenses. The Software may be installed and used on multiple computers provided that such computers are located within the same licensed Office. Licensee may not install the Software on a WAN without obtaining permission from CCH and purchasing additional site licenses.
- d. Maintenance. Single-User Licenses and Multi-User Licenses come with one year of maintenance and support commencing from date of payment of the applicable license fee. Details of the maintenance and support provided is described on the Best Case Bankruptcy product website and includes periodic Software releases and updates to the Software as may be made generally available by CCH to its customers as part of maintenance. CCH, however, reserves the right to charge separately for any new products, functionality or features. Any new products, functionality or features may be offered separately and may be subject to additional license fees and maintenance and support charges. CCH only supports and provides maintenance for current versions of the Software and Software for which available updates have been installed. CCH reserves the right to charge for responding to support calls or inquiries relating to non-current versions of the Software. Maintenance after the first year can be purchased in one-year increments. In order to receive maintenance after expiration of the initial term of maintenance or at the expiration of any maintenance term, Licensee must renew maintenance within the "Grace Period" (as defined in this Section). If purchased within the Grace Period, the annual maintenance fee will be the fee in effect at the date of expiration of the most recent maintenance period and the maintenance term will run for one year from that date. For purposes of this section, the "Grace Period" means the time period beginning from the expiration of the most recent maintenance term and ending on the last day of the

calendar month following the calendar month in which the most recent maintenance term expired. If annual maintenance is not renewed within the Grace Period, the maintenance fee is subject to increase and Licensee should contact CCH to ask about those fees. In any case where maintenance is not renewed during the Grace Period, the new annual maintenance term shall run from the date of renewal payment.

- e. On-Line Functionality. With respect to Single-User Licenses and Multi-User Licenses, web-based functionality included with the Software is only available as long as Licensee is currently receiving and has paid for annual maintenance. Such functionality includes the Software's OneTouch® function which facilitates the electronic filing of cases, as well as any other electronic communication functionality that may be or become a part of the Software from time to time. Access to web-based functionality may be subject to additional fees and agreement to additional license terms. Please contact CCH for more details. Web-based functionality is not available with the Demonstration Version.
  - f. Non-attorney Bankruptcy Petition Preparers. If Licensee is a Non-attorney Preparer and Licensee is preparing forms on behalf of an attorney or law firm, whether or not Licensee is an employee of the law firm, the attorney or law firm, as applicable, must be an authorized licensee of CCH to make use of or file such forms. Licensee is responsible for ensuring that any attorney or law firm, for whom Licensee is using the Software to prepare bankruptcy forms, is an authorized licensee of CCH. Additionally, if Licensee is a Non-attorney Preparer, notwithstanding any other term of this Agreement, Licensee may only install the Software on a computer owned by Licensee and not any third party (including any law firm or attorney and whether or not such Non-attorney Preparer is employed by such third party).
3. **OWNERSHIP AND COPYRIGHT**. The Software is the valuable, confidential, copyrighted, and/or trade secret property of CCH. The Software is licensed not sold. Except for the license rights granted hereunder, CCH reserves all right, title, and interest, express or implied, in and to the Software.
  4. **ADDITIONAL LICENSE RESTRICTIONS**. Licensee may only use the Software as described in this Agreement and Licensee is responsible for use of the Software in excess of the use limitations or other restrictions provided in this Agreement. Any breach of this Agreement by any employee, officer or agent of Licensee shall constitute a breach by Licensee. The registered name of the Licensee must match the name on all filings made through the Software. Except to the extent expressly authorized by this Agreement, Licensee shall not: (i) permit any third party, including any independent contractors of Licensee, to access or use the Software; (ii) decompile, disassemble, reverse engineer or otherwise derive source code from the Software (except to the extent expressly authorized under law); (iii) use the Software to develop a competing software product; (iv) provide, lease, lend, use for timesharing or service bureau purposes or otherwise use or allow others to use the Software for the benefit of any third party; (v) use the Software or permit the Software to be used from outside the United States without written permission from CCH (which may entail payment of

additional license fees); (vi) use the Software or allow the transfer, transmission, export, or re-export of the Software or any portion thereof, in violation of any export control laws or regulations administered by the U.S. Commerce Department or any other governmental agency; or (vii) remove any copyright, trademark, proprietary rights, ownership, disclaimer or warning notice included on or embedded in any part of the Software or any other materials provided by CCH to Licensee. Requests for permission to install the Software on a laptop, notebook or other portable computer that could enable the Software to be accessed from a location other than a licensed Office requires permission and will not be granted without Licensee obtaining and paying for an additional site license. Licensee shall treat the serial number and registration/unlock codes assigned or provided to Licensee as confidential and shall not disclose the same, either directly or indirectly, to any person not authorized to use the Software under this Agreement.

5. **ASSIGNMENT.** The license rights granted under this Agreement are not assignable without the express written consent of CCH in its sole discretion. Any attempted assignment without the prior written consent of CCH is null and void and will result in automatic and immediate termination of the license rights granted under this Agreement.
6. **LIMITED WARRANTY.** CCH only warrants that any physical media on which the Software is recorded and any physical Documentation delivered to Licensee are free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of license. No other warranties apply or are given. CCH's entire liability, and licensee's sole and exclusive remedy, as to any defective media or Documentation, shall be, at CCH's option, either: (i) return of the fees paid for it, or (ii) replacement of such defective media or Documentation. If failure of the media or Documentation resulted from accident, abuse, or misapplication, CCH shall have no responsibility to replace it or refund fees. To avail itself of the foregoing warranty, Licensee must notify CCH within the warranty period and promptly return the defective originals to CCH.

**EXCEPT AS PROVIDED IN THIS SECTION, THE SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND.** CCH does not warrant, guarantee, or make any representations regarding the use or the results of the Software in terms of correctness, accuracy, reliability, or otherwise. The entire risk as to the results and performance of the Software is assumed by Licensee. **EXCEPT FOR THE LIMITED WARRANTY PROVIDED IN THE FIRST PARAGRAPH OF THIS SECTION, CCH ASSUMES NO RESPONSIBILITY FOR AND HEREBY DISCLAIMS ALL WARRANTIES, ORAL OR WRITTEN, EXPRESS OR IMPLIED INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.** Licensee assumes full and sole responsibility for the selection of the Software to achieve Licensee's intended purposes, for the proper installation, use of the Software and verifying the results and output obtained from the use of the Software. **CCH DOES NOT WARRANT THAT THE SOFTWARE WILL MEET**

#### **LICENSEE'S REQUIREMENTS OR THAT THE SOFTWARE IS ERROR-FREE.**

Licensee acknowledges that CCH is not engaged in rendering legal or other professional advice and the Software is not a substitute for the advice of an attorney or professional judgment. CCH advises that all output from the Software should be prepared or reviewed by an attorney knowledgeable in the requirements of applicable law. Licensee shall indemnify, defend, and hold harmless CCH and its officers, directors, employees, licensees, agents and affiliates, from and against any claim or action brought against CCH by any third party, including but not limited to Licensee's clients, arising out of Licensee's use of the Software or any services provided by Licensee, and Licensee shall pay all costs, damages and reasonable attorneys' fees relating to such claim or action.

7. **LIMITATION OF LIABILITY. NONE OF CCH NOR ANY OF ITS LICENSORS OR AFFILIATES SHALL HAVE ANY LIABILITY TO LICENSEE OR ANY THIRD PARTY FOR ANY LOSS OF PROFITS, SALES, BUSINESS OR DATA, LEGAL MALPRACTICE, LOSS OF PRIVILEGE, BUSINESS INTERRUPTION, OR OTHER INCIDENTAL, CONSEQUENTIAL, OR SPECIAL LOSS OR DAMAGES, INCLUDING EXEMPLARY OR PUNITIVE DAMAGES, OF ANY KIND OR NATURE RESULTING FROM OR ARISING OUT OF THIS AGREEMENT, THE SOFTWARE, OR ANY MAINTENANCE OR SUPPORT SERVICES PROVIDED IN CONNECTION WITH THE SOFTWARE. THE TOTAL LIABILITY OF CCH TO LICENSEE ARISING OUT OF THIS AGREEMENT, THE SOFTWARE AND ANY MAINTENANCE OR SUPPORT SERVICES PROVIDED IN CONNECTION WITH THE SOFTWARE FOR ANY AND ALL CLAIMS OR TYPES OF DAMAGES SHALL NOT EXCEED THE TOTAL FEES ACTUALLY PAID OR PAYABLE HEREUNDER BY LICENSEE DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO LIABILITY.** The allocations of liability in this Section represent the agreed, bargained-for understanding of the parties and CCH's compensation hereunder reflects such allocations. The limitation of liability and types of damages stated in this Section are intended to apply regardless of the form of lawsuit or claim, whether in tort, contract or otherwise, and regardless of whether any limited remedy provided for in this Agreement fails of its essential purpose. **Not in limitation of the foregoing, CCH shall have no liability for Licensee's misuse of the Software, or errors that Licensee may make in connection with using the Software, including without limitation, misuse or errors that may lead to the incurrence of additional or duplicate court filing fees resulting from duplicative electronic filings.**
8. **CONFIDENTIALITY.** Licensee acknowledges that the Software constitutes a valuable proprietary product and trade secret of CCH embodying substantial confidential information, ideas and expressions. Licensee acknowledges that use and display of any copyright notice shall not be construed as an admission or presumption that publication of the Software has occurred. Except as CCH may permit by giving written permission to Licensee, Licensee agrees to observe complete confidentiality as to all aspects of the Software, including without limitation, agreement not to disclose or otherwise permit any other individual or business not subject to a license with CCH access to, in any manner, the Software or any part of it in any form whatsoever. Licensee further agrees to notify CCH

promptly and in writing of any circumstances surrounding use of any part of the Software by any individual or business not subject to a license with CCH.

9. **TERM; TERMINATION.** The license rights granted under this Agreement are perpetual, unless terminated by CCH in accordance with this Agreement. CCH has the right to terminate the license rights granted under this Agreement, by notice in writing to Licensee, if: (i) Licensee fails to comply with any material term or obligation of Licensee under this Agreement; (ii) upon the bankruptcy or insolvency of Licensee or upon the commencement of any voluntary or involuntary winding up, or upon the filing of any petition seeking the winding up, of Licensee's business; or (iii) upon a court ordered suspension of Licensee from making any bankruptcy filings in any jurisdiction or upon any other suspension or revocation of Licensee's license to practice law (if applicable). Upon such termination, Licensee shall cease all use of the Software, delete the Software from any of its computer systems and destroy the Software in its possession.
10. **UPGRADES.** To use an upgraded version of the Software, Licensee must be authorized to use the Software and be under a current maintenance term.
11. **DATA COLLECTION.** You acknowledge that CCH has the right to collect information based on Licensee's use of the Software, including, but not limited to (i) Licensee's name and the serial number granted to Licensee for use of the Software, (ii) the identity of the jurisdictions whose forms Licensee has selected from the Software, (iii) the package, version and release numbers of the Software and any add-ons installed, (iv) the total number of files created by Licensee in using the Software, and (v) electronic case filing logs that are automatically transmitted by the Software to CCH to allow for the maintenance and monitoring of electronic case filing functions. Collection of such data will occur upon Licensee's use of certain features and on-line services of the Software, including but not limited to using the Software to connect to the Best Case Bankruptcy product website, using the Software's "Check for Updates" feature, and using the OneTouch® electronic filing service. **If CCH determines through its collection of information that the Software is being used in violation of the license rights granted, CCH shall have the right to disable any online functionality of the Software. The exercise of the foregoing right shall not limit or restrict CCH's pursuit of any other remedies available to it. Licensee shall be responsible for any use of the Software permitted by Licensee by any third parties in violation of the license rights granted.**
12. **AUDIT RIGHT.** At CCH's expense, Licensee shall permit CCH representatives to review, no more than one time in any 12-month period, such computer systems and records of Licensee as may be required for the sole purpose of verifying Licensee's compliance with the license restrictions in this Agreement. Such audits shall take place at reasonable times, upon reasonable advance written notice, during normal business hours of Licensee and in such a manner so as not to interfere with Licensee's normal business activities.

13. **CHOICE OF LAW; WAIVER OF JURY TRIAL.** This Agreement will be governed by, and construed and interpreted according to, the laws of the State of Illinois, without regard to its choice of law rules. Any and all legal proceedings (including counterclaims filed by Licensee as a result of a collection action by CCH) regarding this License Agreement may only be brought in the state or federal courts located in Cook County, Illinois and Licensee expressly submits to the jurisdiction of such courts and consents to extra-territorial service of process. **EACH PARTY HEREBY WAIVES ITS RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY DISPUTE OR LEGAL PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE SUBJECT MATTER HEREOF.**
14. **WAIVER; AMENDMENT.** No waiver of any breach of this Agreement shall constitute a waiver of any breach of the same or any other provision of this Agreement, and no waiver shall be effective unless made in writing and signed by an authorized representative of the waiving party. This Agreement may not be modified or amended except in a writing signed by both parties.
15. **ENTIRE AGREEMENT.** You agree that this license constitutes the entire agreement between you and CCH and supercedes all prior negotiations, understandings and/or agreements, whether written or oral.
16. **SEVERABILITY.** If any provision of this Agreement is held to be illegal, or otherwise unenforceable, such provision will be severed, stricken and replaced with a legal and enforceable provision which most closely reflects the intent of the parties and the remainder of this Agreement shall continue in full force and effect.
